Sir,

I have the honor to state that the present scale of pay of the establishment of the Shimoga Town Municipality being inadequate for their livelihood owing to the dearness of food stuffs, Kalkars peons and Durwans now and then take leave and work in the Manganese Company or elsewhere where they get high wages i.e. from 6 annas to 8 annas daily and competent substitutes are not available to fill up their places. The work of the Municipality suffers consequently very much

2 The subject of increasing the pay of the establishment was discussed in the meeting of the Municipal Council held on the 26th April 1913 and of the Municipal Council were of opinion that the scale of pay should be increased by one rupee.

3 The Vice President of the Municipality represented in the meeting that an additional establishment consisting of one clerk on Rs 10/- and two menials on Rs 7/- each was required to cope with the increased work in his office. This proposition was also approved by the Council

4 The Extract from the Proceedings of the Council's resolution is herewith submitted for information

5 under the above circumstances, I request that sanction of Government may be obtained

for the additional establishment to the Vice Presidents Office and increase of the pay of the Establishment with effect from the 1st July 1913

6 A proposition statement showing the present and proposed increased of pay to the Establishment of the Shimoga Municipality is herewith submitted

7 Necessary provision may Kindly be caused to be made in the Budget estimates of that Municipality for 1913-14 which is — pending Sanction of Government

I have the honor to be,
Sir,

Govt observe that the financial condition of the Shimoga town Municipal Council is not sound enough to admit of the DC's proposals being sanctioned in toto. The additional establishment of 1 clerk on Rs 10 & 2 peons on Rs 7 each, costing Rs 24 per mensem, recommended for the Vice President's office is however sanctioned as a temporary measure for one year on the distinct understanding that
